Welcome Message

Dear Sir/Madam,

It is a great privilege and honour for India to host the 9th Madjid Samii Society of International Neurosurgery Congress (MASSIN Congress), International Conference on Cerebrovascular Surgery 2026 (ICCVS 2026), and International Neurosurgery Update 2026 (INU 2026) from May 14th-17th 2026. The meetings will take place at Hotel J W Marriott, Sahar Road, Mumbai, which is very close to the International Airport (T2).

The prestigious MASSIN Meeting is a bi-annual meeting in honor of world-renowned Neurosurgeon Prof Madjid Samii under whom lots of Neurosurgeons had opportunity to train under him in Germany. The meeting involves extensive and in-depth debates and discussion of various neurosurgical topics. This meeting would be attended by eminent neurosurgeons from across the globe and India as well. This meeting would be of immense help for the attending faculty and delegates in learning and sharing experience and ideas.

Scientific Exhibitions in the meeting are the place where commerce and science converge. It is an ideal opportunity for the industry to interact and display its products to the huge neurosurgical community for full 4-days. We appeal to you to have your presence in the said meeting and contribute towards the scientific activities. We appeal to participate and make the meeting a grand success. We provide multiple options towards your participation.

The options for participation are listed in the trade brochure along with payment details.

Thanking You

Yours Sincerely

Basant Misra
Congress President
